MEMORANDUM FOR: Mr. Harold H. Saunders
Director of Intelligence and
Research
Department of State

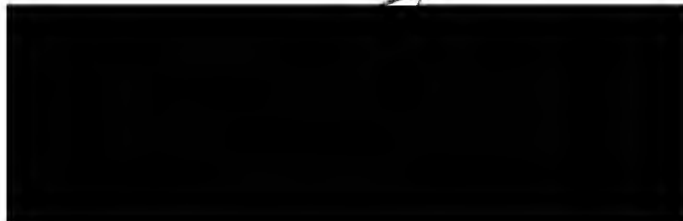

25X1A FROM : [REDACTED]
Director of Performance Evaluation and
Improvement

SUBJECT : Review of Field Reporting on the
Disappearance and Deaths of Ambassador
Meloy and Embassy Officer Waring
(Lebanon)

1. The IC Staff has recently completed the attached review of the non-use of critic procedures connected with the field reporting on the disappearance and deaths of Ambassador Meloy and Embassy Officer Waring. Similar non-use of critic procedures was observed in the initial stages of the recent Korean crisis.

2. I would appreciate your comments on the contents of the attached report and your suggestions on how best to resolve the problems highlighted in it. In addition, I would like your opinion on whether it would be useful to have these problems raised in a more formal manner, i.e., for NFIB consideration and discussion.
